

**Datenblatt - Fiche technique - Data sheet**

**21.99.1496**

**VALUE Gigabit PoE Injektor,**

**VALUE Injecteur PoE Gigabit,**

**VALUE Gigabit PoE Injector,**

**Item no.: 21.99.1496**

**VALUE PoE Injector, Single port, IEEE802.3at, 30W, black**

## **Features:**

- 1x LAN-in port (data only) + 1x LAN-out port (data & power) + 1x power-in plug
- Supports Gigabit Data output
- Power input: 90 ~ 280 VAC
- Power output: 46 ~ 52 VDC
- Compliant with IEEE802.3at, backward compatible to IEEE802.3af
- Single POE port, max. 30W
- Plug & play
- Automatic detection and provide the output for equipment
- LED indicator
- Operating Temperature : 0°C ~40°C
- Storage Temperature : -10°C ~70°C
- Operating Humidity : 20%~85% (Non-condensing)
